GAS

Chilton Co., Publishers, 198 So. Alvarado Street, Los Angeles 57, California

INDEX TO VOLUME XXXIII

January Through December 1957

AUTHORS

Allen, Louis A.—New concepts in management and organization in the gas industry ..... Aug. 73
Bailey, Alan R.—What management expects of a safety program ..... June 49
Baldwin, H. Brown, and John T. McKenna—Boston Gas uses new technique for conversion ..... July 43
Barnes, J. M. and Ellis S. Bergey—Eastern utility installs catalytic reforming units ..... Dec. 39
Bergey, Ellis S. and J. M. Barnes—Eastern utility installs catalytic reforming units ..... Dec. 39
Billett, L. Raymond—Operating experiences with pump-type odorizers ..... Sept. 74
Boughn, Pete—Farmers turn to natural gas for irrigation pump fuel ..... Nov. 51
Buckley, E. T.—Device detects presence of air in natural gas ..... Jan. 97
Chapman, Frank—Canadian Report—Toronto—Hub of eastern Canada's natural gas industry ..... Mar. 74
Chapman, Frank—CGA approvals program gains momentum ..... Feb. 55
Chapman, Frank—Montreal can be Canada's biggest gas-consuming area ..... June 67
Chapman, Frank—Union Gas Co.—A completely integrated operation ..... Apr. 62
Corvell, R. L.—Odorization techniques in New York City ..... Nov. 45
Cramer, Floyd R.—More about water injection ..... Aug. 141
Curtis, A. C.—Advantages of internal in-place coating.. Mar. 126
Ebdon, J. Fred—American Meter opens new plant to serve Pacific Coast market ..... Jan. 57
Ebdon, J. Fred—A century of service ..... Apr. 63
Ebdon, J. Fred—Desert Communications—Gas operations in Nevada aided by radio net ..... July 103
Ebdon, J. Fred—The gas industry and the public mind.. Sept. 71
Ebdon, J. Fred—Nevada Southern uses plastic pipe for new services ..... Mar. 65
Ebdon, J. Fred—Saskatchewan Power stepping up system development ..... July 70
Ebdon, J. Fred—Trans-Canada—The story of turmoil, tenacity, and triumph ..... Aug. 51
The pipeline is a big one ..... Aug. 53
Major markets for the project ..... Aug. 54
Money matters ..... Aug. 62
Problem solvers ..... Aug. 64
Pioneering the project ..... Aug. 115
Natural gas supply and gathering system ..... Aug. 120
The slide-rule phase ..... Aug. 122
Building the project ..... Aug. 131
Ebdon, J. Fred—Westcoast Transmission—Opening the Canadian natural gas frontier ..... May 127
Ellington, R. T., G. G. Wilson, and D. V. Kniebes—Practical aspects of analysis with an electronic computer ..... May 73
Ellington, R. T., and G. G. Wilson—Internal surface coating of pipe ..... July 107
Emery, John—Accidental contacts in a distribution system ..... Mar. 55
Franks, J. J.—Thorough investigation shows pipeline how to use computer ..... Sept. 115
Gotterbra, Clarence E.—Maintenance of converted supercharged gas engines ..... Dec. 97
Hays, R. D.—Gas load control through telemetering ..... July 52
Hill, A. M. and E. W. Zilm—Maintenance welding on high test line pipe ..... Feb. 106
Holmes, William M.—How several Tennessee communities formed their own utility district ..... Apr. 79
Hughes, Scott—Legal basics of gas distribution ..... Sept. 86
Johnson, Lloyd H.—Zone Temperature Control—What a serviceman should know about it—Part. 1 ..... Oct. 89
Part 2. ..... Nov. 54
Part 3. ..... Dec. 43
Joseph, James—Magnetographic method speeds butt-weld inspection ..... Feb. 103
Joseph, James—Utility develops new plan for "intermittent maintenance" ..... Dec. 59
Joy, Paul C. and George B. Tuggle—Honolulu Gas' experiences with high-Btu oil-gas ..... Apr. 42
Kniebes, Duane V.—Maintenance of compressor engines by lubricating oil analysis ..... June 113
Kniebes, D. V., G. G. Wilson, and R. T. Ellington—Practical aspects of analysis with an electronic computer ..... May 73
Kridner, Ken—Gas well analysis with portable testing unit ..... May 141
Kroeger, Carroll V.—Design your city gate stations for the future ..... May 67
Kulman, F. E.—Corrosion mitigation in congested areas.. Mar. 60
LeMay, R. C.—Customer-sponsored research ..... May 80
Long, Vinton—Present and future microwave systems—pipeline style ..... Sept. 120
Lutz, John R., Jr.—How to encircle a city with a high pressure loop ..... Sept. 56
McCamish, H. M.—A pressure system for new distribution systems ..... Feb. 57
McClure, G. M—Some observations on stresses in larger diameter pipelines ..... Apr. 117
McKenna, John T., and H. Brown Baldwin—Boston Gas uses new technique for conversion ..... July 43
MacLean, Allen D.—Proving domestic gas meters with pressure, vacuum methods ..... June 43
Margo, B. A.—Replaciation during inflation ..... Oct. 158
Menkes, L. C.—Audio tone control in gas distribution systems ..... June 54
Neubauer, J. R.—Split channel system analysis—Part 1. Why more channels are needed ..... Oct. 138
Part 2. Reducing interference ..... Nov. 60
Newberry, Dennis L.—Marketing in the natural gas industry ..... Sept. 82
Newby, A. B., and F. V. Wilby—An improved integrating odorizer ..... July 59
Ott, Robert J.—How Philadelphia Gas Works detects defective meters ..... May 86
Partridge, Frank M.—Measurement operations at Pacific Northwest ..... Nov. 95
Pifer, W. G.—Bell-proving techniques ..... Dec. 50
Precheur, Henri V.—Computing telemetering systems in gas distribution network ..... Sept. 45
Pruitt, R. D., and J. V. Turpish—Factors to consider in selecting customer service vehicles ..... Aug. 67
Regeimbal, Neil—Gas industry confident in microwave battle ..... June 122

Schmitt, Ardell E.—Long-range preventive maintenance plan for steel gas mains ..... Feb. 49
Schweitzer, C. T.—Investigation of gouges, arc burns in steel line pipe ..... June 107
Shibel, Charles M.—Tally it—but don't touch it ..... Apr. 57
Smith, Ralph J.—Northern finds "two-for-one" storage field ..... Oct. 135
Stannard, J. H. Jr.—Use of a plug valve as a control valve ..... Dec. 101
Stoll, L. M.—Plastic pipe used for main replacement in a swampy area ..... Mar. 71
Taylor, Dwight K.—Quality control of peak-shaving gas mixtures ..... Oct. 94
Tuggle, George B., and Paul C. Joy—Honolulu Gas' experiences with high-Btu oil-gas ..... Apr. 42
Turpish, J. V., and R. D. Pruitt—Factors to consider in selecting customer service vehicles ..... Aug. 67
Von Esch, B. C.—Drying paint with gas ..... June 61
Warren, Joseph E.—Predicting behavior of gas storage reservoirs ..... Nov. 102
Webber, C. H.—Use of thermo-plastic pipe for gas distribution ..... Mar. 69
White, B. C.—Plant stores refrigerated propane at —46°F ..... Apr. 50
Wilby, F. V., and A. B. Newby—An improved integrating odorizer ..... July 59
Wilson, G. G., and R. T. Ellington—Internal surface coating of pipe ..... July 107
Wilson, G. G., D. V. Kniebes, and R. T. Ellington—Practical aspects of analysis with an electronic computer ..... May 73
Wright, Don—Audio continuous-control tone equipment saves money for western utility ..... Dec. 55
Wright, Don—1956 was a record year for use of plastic pipe ..... Mar. 62
Wright, Don—Automatic line speeds painting, results in more efficient job ..... June 52
Wright, Don—El Paso Natural operates vast communications system ..... Mar. 113
Wright, Don—New series turbocharger demonstrated for editors ..... Apr. 125
Wright, Don—Odorization of a converted oil-gas system ..... Apr. 55
Wright, Don—St. Louis—Home of Laclede Gas Company ..... Oct. 66
From gas lights to full diversification of load 71
Sendout has run gamut from coal gas to natural 74
Underground storage figures heavily in Laclede's future 76
Company serves 370, 419 meters through 2930 miles of mains 81
Wright, Harold—Quick action keeps Gas Service Company from "losing" St. Joseph, Mo. ..... Oct. 148
Yorath, D. K.—Pipe dreams become realities ..... Sept. 51
Zachry, Clare H.—Gas industry expects to set new sales record this year ..... Feb. 39
Zilm, E. W., and A. M. Hill—Maintenance welding on high test line pipe ..... Feb. 106

DISTRIBUTION

Accidental contacts in a distribution system—by John Emery ..... Mar. 55
Audio continuous-control tone equipment saves money for western utility—by Don Wright ..... Dec. 55
Audio tone control in gas distribution systems—by L. C. Menkes ..... June 54
Baltimore uses "tote board" to speed up service calls ..... Feb. 63
Bell-proving techniques—by W. G. Pifer ..... Dec. 50
Boston Gas uses new technique for conversion—by H. Brown Baldwin and John T. McKenna ..... July 43
Coatings: Vital part of corrosion prevention ..... Mar. 50
Computing telemetering systems in gas distribution network—by Henri V. Precheur ..... Sept. 45
Conveyor system in meter shop helps company meet state laws ..... Dec. 62
Corrosion mitigation in congested areas—by F. E. Kulman ..... Mar. 60
Corrosion prevention and plastic pipe section ..... Mar. 49
Coatings: Vital part of corrosion prevention ..... Mar. 50
Accidental contacts in a distribution system—by John Emery ..... Mar. 55
Distribution company finds coating and wrapping pipe pays off ..... Mar. 57
Corrosion mitigation in congested areas—by F. E. Kulman ..... Mar. 60
1956 was record year for use of plastic pipe—by Don Wright ..... Mar. 62
Nevada Southern uses plastic pipe for new services—by J. Fred Ebdon ..... Mar. 65
Use of thermo-plastic pipe for gas distribution—by C. H. Webber ..... Mar. 69
Plastic pipe used for main replacement in a swampy area—by L. M. Stoll ..... Mar. 71
Desert communications—gas operations in Nevada aided by radio net—by J. Fred Ebdon ..... July 103
Design your city gate stations for the future—by Carroll V. Kroeger ..... May 67
Distribution company finds coating and wrapping pipe pays off ..... Mar. 57
Gas load control through telemetering—by R. D. Hays ..... July 52
How Philadelphia Gas Works detects defective meters—by Robert J. Ott ..... May 86
How to encircle a city with a high pressure loop—by John R. Lutz Jr. ..... Sept. 56
Illinois Power adds town to growing gas network ..... Oct. 93
Improved integrating odorizer, an—by A. B. Newby and F. V. Wilby ..... July 59
Long-range preventive maintenance plan for steel gas mains—by Ardell E. Schmitt ..... Feb. 49
Nevada Southern uses plastic pipe for new services—by J. Fred Ebdon ..... Mar. 65
New system helps Equitable speed up customer service ..... Feb. 44
1956 was record year for use of plastic pipe—by Don Wright ..... Mar. 62
Odorization of a converted oil-gas system—by Don Wright ..... Apr. 55
Odorization techniques in New York City—by R. L. Coryell ..... Nov. 45
Operating experiences with pump-type odorizers—by L. Raymond Billett ..... Sept. 74
Plant stores refrigerated propane at —46°F.—by B. C. White ..... Apr. 50
Plastic pipe used for main replacement in a swampy area—by L. M. Stoll ..... Mar. 71
Practical aspects of analysis with an electronic computer—by G. G. Wilson, D. V. Kniebes, and R. T. Ellington ..... May 73
Pressure system for new distribution systems—by H. M. McCamish ..... Feb. 57
Proving domestic gas meters with pressure, vacuum methods—by Allen D. MacLean ..... June 43
Quick action keeps Gas Service Company from "losing" St. Joseph, Mo.—by Harold Wright ..... Oct. 148
St. Louis—Home of Laclede Gas Company—by Don Wright ..... Oct. 66
From gas lights to full diversification of load ..... Oct. 71
Sendout has run gamut from coal gas to natural ..... Oct. 74
Underground storage figures heavily in Laclede's future ..... Oct. 76
Company serves 370,419 meters through 2930 miles of mains ..... Oct. 81
Split channel system analysis—by J. R. Neubauer
Part 1. Why more channels are needed ..... Oct. 138
Part 2. Reducing interference ..... Nov. 60
Tally it—but don't touch it—by Charles M. Shibel ..... Apr. 57
Trans-Canada—The story of turmoil, tenacity, and triumph—by J. Fred Ebdon ..... Aug. 51
The pipeline is a big one ..... Aug. 53
Major markets for the project ..... Aug. 54
Money matters ..... Aug. 62
Problem solvers ..... Aug. 64
Pioneering the project ..... Aug. 115
Natural gas supply and gathering system ..... Aug. 120
The slide-rule phase ..... Aug. 122
Building the project ..... Aug. 131
Use of thermo-plastic pipe for gas distribution—by C. H. Webber ..... Mar. 69
Utility develops new plant for "intermittent maintenance"—by James Joseph ..... Dec. 59

EDITORIAL COMMENT

Communications, by Frank Chapman

Antitrust warning issued ..... Nov. 66
API radio committee meets ..... Jan. 125
AT&T's tariff filing suspended until June ..... May 154
Court review sought in California case ..... May 154

Drawn-out hearings expected in microwave case .....Apr. 135
FCC hearings reveal industry's plans for microwave ...Sept. 133
FCC must decide who has the most pressing need .....July 67
FCC studying allocation evidence.....Nov. 66
Frequency assignment policy.....Dec. 109
Interest continues high in common carrier lease-maintenance investigation .....Dec. 109
Keller foresees establishment of new radio services.....June 139
Lease and maintenance ruling issued .....Mar. 145
The media for supervisory control .....Feb. 133
More than 200 witnesses testify in microwave case ....Aug. 149
Motorola progressing on high frequency test .....Jan. 125
NCUR and steering committee plan comments on FCC proposals .....Oct. 179
Notice of appearance filed in microwave case .....Mar. 145
Observers forecast FCC will sanction continued use of private microwave .....Oct. 179
Pipeline testing facsimile communication medium ....May 153
Union Gas of Canada has versatile radio system .....Jan. 121
Walkie-Talkie finds many uses in gas operations .....Mar. 145

Corrosion Prevention, by Marshall E. Parker

Cathodic protection for American Louisiana line .....Feb. 71
Corrosion control groups .....Mar. 77
Corrosion instruments .....Jan. 58
Diethylamine inhibits gas well casing corrosion .....Jan. 60
Ductile iron .....Mar. 77
An evaluation program for service line coating .....July 35
Frost and soil resistivity .....Oct. 25
Internal Coatings .....Mar. 77
Mutual aid .....Mar. 77
NACE abstracts .....Dec. 31
New coating and application process .....Feb. 71
Offshore pipelines .....Apr. 74
Painting above ground metallic structures.....Apr. 74
Pipeline resistance to earth .....Aug. 39
Prediction of leak rates .....Sept. 23
Soil resistivity and coating conductance
Part 1. .....May 27
Part 2. .....June 73
Surface preparation for painting .....Jan. 58
Use of rectifiers or anodes .....Apr. 74

Regulatory and Legislative Trends

California improves regulatory climate.....Dec. 11
California's radio decision awakens the nation .....Apr. 11
Financial rocks and rate relief.....Nov. 11
Florida's gas and growing pains .....Sept. 11
FPC reverses policy on importation of foreign gas.....Feb. 11
Gas and a gasping Congress .....May 11
Inferior use of gas for boiler fuel continues.....Oct. 11
Producers ponder denial of rate increase .....Mar. 11
Rate relief will be faster .....June 11
Utilities are targets for new taxes .....Jan. 11
Utility ratemaking during inflation .....July 11
What price incentives to discover more gas? .....Aug. 11

Technical Trends, by Guy Corfield

Air conditioned sidewalks .....Aug. 19
All-year air conditioning .....Feb. 21
Another pipeline carrying solids .....Sept. 15
Converting sunlight to electric energy.....Dec. 17
"Cue for Survival" .....May 19
Gas chromatography .....Mar. 19
Flammable liquids, gases in manholes and sewers .....Jan. 15
High-efficiency heat insulation .....Sept. 15
Hydrogen and ammonia by partial oxidation .....Jan. 15
Low pressure polyethylene. .....Nov. 17
New stainless steel .....June 15
Non-inflammable hydraulic fluids .....Mar. 19
Nuclear power .....May 19
Oil shale and shale oil .....Aug. 19
Peacetime nuclear energy .....Aug. 19
Realm of infrared .....Oct. 15
Reducing water evaporation.....Dec. 17
Solar furnace .....July 15
Standard for comfort air conditioning.....Nov. 17
Stronger plastic pipe .....June 15
Sun at work .....June 15
Synthetic ammonia .....Dec. 17
Technical and industrial revolution .....Apr. 17
Ultrasonic waves .....Sept. 15
Versatile new refractory .....Oct. 15
We are doing something about the weather .....Feb. 21
Weather, air pollution and the gas industry .....July 15
Zirconium and hafnium .....Jan. 15

Thermally Thinking, by J. Fred Ebdon

Air conditioning .....Apr. 6
Appliances .....Sept. 6
Domestic gas appliance connections .....Jan. 6
Engineers .....Feb. 6
Exploration .....Dec. 6
FPC hearings .....Oct 6
Future .....June 6
Natural gas resources .....July 6
Regulation .....Aug. 6
Service .....May 6
Unified industry .....Mar. 6

Washington, by Neil Regeimbal

Barriers stand in way of gas legislation in '57 .....Jan. 104
"Coal" amendment may split support of natural gas bill..Dec. 19
Concern growing over inadequate rates .....Oct. 17
Congressmen checking underground storage .....Apr. 15
Contributions to resources committee taxable .....Aug. 17
Gas bill backers seek bi-partisan support in '58 .....Oct. 17
Gas bill backers work overtime for approval .....June 25
Gas bill hits political trading circuit.....Nov. 19
Gas bill not dead—yet, but it may expire soon .....July 73
Gas bill opponents will try to split supporters .....Aug. 17
Gas industry facing rough year ahead .....Sept. 17
Lawmakers settling down to business at hand .....Feb. 17
Midwestern-TGT complications grow .....Jan. 106
National petroleum commission proposed .....Apr. 15
New Harris gas bill faces rough road in Congress ....May 17
Nuclear electric power age should be in full swing by 1980 .....Aug. 17
ODM backs oil line to East Coast .....Feb. 17
Outlawing of utility reimbursement fails .....Sept. 111
Passage of gas bill still not a "sure thing" .....Mar. 15
Regulatory agencies dominated by industries they regulate? .....Oct. 198
Rising steel prices and tight supply harass gas industry .....Oct. 200
Soft spots in boom may hit this year .....Feb. 17
Steel supply picture bright .....Apr. 15
Trans-Canada fight brewing in Congress .....June 25

GENERAL ARTICLES

AGA convention parade—1957.....Dec. 63
American Meter opens new plant to serve Pacific Coast market—by J. Fred Ebdon.....Jan. 57
Around the convention circuit .....July 64
Automatic line speeds painting, results in more efficient job—by Don Wright .....June 52
Canadian Report
CGA approvals program gains momentum—by Frank Chapman .....Feb. 55
Toronto—Hub of eastern Canada's natural gas industry—by Frank Chapman .....Mar. 74
Union Gas Co.—A completely integrated operation—by Frank Chapman .....Apr. 62
Canadian companies to spend $359.9 million this year .....May 85
Montreal can be Canada's biggest gas-consuming area—by Frank Chapman .....June 67
Saskatchewan Power stepping up system development —by J. Fred Ebdon .....July 70
Pipe dreams become realities—by D. K. Yorath.....Sept. 51
CGA approvals program gains momentum—by Frank Chapman .....Feb. 55
Canadian companies to spend $359.9 million this year .....May 85
Toronto—Hub of eastern Canada's natural gas industry —by Frank Chapman .....Mar. 74
A century of service—by J. Fred Ebdon.....Apr. 63
Factors to consider in selecting customer service vehicles—by J. V. Turpish and R. D. Pruitt .....Aug. 67
Gas equipment manufacturers adopt "8 out of 10 choose gas" as ad theme .....Sept. 61
Gas industry and the public mind—by J. Fred Ebdon ..Sept. 71
GAS 10th annual construction survey.....May 51
Gas industry confident in microwave battle—by Neil Regeimbal .....June 122
Gas industry expects to set new sales record this year—by Clare H. Zachry .....Feb. 39

Gas industry is setting records in the West.....Jan. 42
Gas in the West—A market study of the nation's fastest growing area .....Jan. 41
Heating customers up 8.5 per cent in 1956 to total 16.7 million .....July 68
How several Tennessee communities formed their own utility district—by William M. Holmes .....Apr. 79
Marketing in the natural gas industry—by Dennis L. Newberry .....Sept. 82
Montreal can be Canada's biggest gas-consuming area —by Frank Chapman .....June 67
Pipe dreams become realities—by D. K. Yorath .....Sept. 51
Practical aspects of analysis with an electronic computer—by G. G. Wilson, D. V. Kniebes, and R. T. Ellington .....May 73
Reserves up 14.1 trillion cu ft in '56 for biggest recorded gain .....May 170
St. Louis hosts 39th annual AGA convention .....Oct. 85
Saskatchewan Power stepping up system development —by J. Fred Ebdon .....July 70
Union Gas Co.—a completely integrated operation— by Frank Chapman .....Apr. 62
Upgrading of water heaters advancing in southern California .....Sept. 85

MANAGEMENT

Factors to consider in selecting customer service vehicles—by J. V. Turpish and R. D. Pruitt .....Aug. 67
GAS exclusive interview—Washington Editor questions Rep. Harris on future of gas bill .....Oct. 147
Gas industry confident in microwave battle—by Neil Regeimbal .....June 122
Gas industry is setting records in the West .....Jan. 42
Gas in the West—A market study of the nation's fastest growing area .....Jan 41
Legal basics of gas distribution—by Scott Hughes .....Sept. 86
Marketing in the natural gas industry—by Dennis L. Newberry .....Sept. 82
New concepts in management and organization in the gas industry—by Louis A. Allen .....Aug. 73
Replaciation during inflation—by B. A. Margo .....Oct. 158
Tally it—but don't touch it—by Charles M. Shibel .....Apr. 57
What management expects of a safety program—by Alan R. Bailey .....June 49

MANUFACTURED GAS PRODUCTION

Eastern utility installs catalytic reforming units —by J. M. Barnes and Ellis S. Bergey.....Dec. 39
Honolulu Gas' experiences with high-Btu oil-gas —by George B. Tuggle and Paul C. Joy .....Apr. 42
Quality control of peak-shaving gas mixtures—by Dwight K. Taylor .....Oct. 94

NEWS DEVELOPMENTS

Antitrust charges filed against El Paso and PNW.....Aug. 82
Big plans for more gas for California.....Sept. 140
FPC reports on 1955 sales of producers to pipelines....Mar. 160
FPC seeks legislation easing regulatory job.....Apr. 130
Five-company plan boost Chicago supplies.....Dec. 112
Florida plan okayed, but with strings.....Feb. 128
Liquefied natural gas code under study.....Jan. 62
Phillips decision to have "first real court test".....Oct. 172
Rail and highway crossing code to be studied.....June 128
Regulatory commissions studied by several states.....Apr. 84
Servel's air conditioning sold to ArkLa Gas.....Sept. 96
$615 million construction authorized by FPC.....Nov. 123
3.4 trillion cu ft of gas in underground storage.....July 74
Utility and pipeline sales up 8.2 per cent.....Apr. 144

TRANSMISSION

Advantages of internal in-place coating— by A. C. Curtis .....Mar. 126
Automatic welding speeds Canadian line .....May 160
The challenge of the Gulf is met .....Mar. 133
Chicago District crosses the Des Plaines river .....Apr. 122
Coatings: Vital part of corrosion prevention .....Mar. 50
Corrosion control with plastic tape .....Mar. 119

Corrosion prevention and plastic pipe section

Corrosion control with plastic tape .....Mar. 119
